

Discover the Power of Mobile Marketing

App Features:

- FREE for students and community to download.
- Within seconds users can easily find your bar specials and a taxi to get them there.
- Users can get directions or call and place an order at your restuarant with the tap of a button.
- Take advantage of a captured audience with special promotions or a CTA!

72%
of students own an
iPhone.

2.5 hrs.
spent on mobile apps
per day.

86%
prefer an app over a
web search.
